ARTICLE III **ASSOCIATION MAINTENANCE OBLIGATIONS**

Section 2. Outlot Ownership. The Association shall be the owner of the Outlots and shall timely pay all real estate taxes and assessments levied against the Outlots. Declarant hereby covenants for itself, and its successors and assigns, that it shall convey to the Association the fee title to the Outlots free and clear of all mechanic's liens or any liens or encumbrances whatsoever, except covenants, easements, conditions and restrictions whether or not of record or created by this Declaration or granted to any public authority. The transfer of title of the Outlots to the Association shall not be accomplished until the City provides written notification that construction of the Storm Water Detention Facility has been completed and Declarant has been released from its duties, obligations and responsibilities under any storm water management agreement on file with the City.

Section 3. Maintenance of Outlots and Storm Water Detention Facility. The Association shall be responsible for maintenance of the Outlots and the Storm Water Detention Facility located thereon. Such maintenance obligations shall include, but are not limited to, reconstruction, repair, replacement, inspection, grading, dredging, mowing, replacement of permitted vegetation, removal of trash, litter and debris and any other duties required to be performed for maintenance under any storm water management agreement on file with the City. No Owner shall obstruct or interfere whatever with the duties and responsibilities of the Association to perform its maintenance obligations relating to the Outlots and Storm Water Detention Facility. Nothing shall be altered in, constructed in, or removed from the Outlots, except upon written consent of the

Board of Directors. An Owner shall be liable to the Association for the expense of any maintenance, repair, or replacement rendered necessary by any intentional, negligent or careless act by such Owner, or by any family, guest, employee, agent, contractor or lessee of such Owner. Any such expense shall become a special assessment and lien upon the Lot of such Owner and shall become due and payable upon demand.

Section 4. Taxes Assessed Against Outlots. The Association shall be responsible for any taxes and special assessments assessed against the Outlots and the pro rata cost thereof shall become a part of the annual assessment.

Section 5. Liability Insurance. The Association shall purchase a master comprehensive public liability insurance policy in such amount or amounts as the Board of Directors shall deem appropriate from time to time. Such comprehensive public liability insurance policy shall cover the Association, its Board of Directors, any committee or organization of the Association or Board of Directors, its agents and employees, the Owners and all other persons entitled to use the Outlots. The Association shall also obtain any other insurance required by law to be maintained, including but not limited to, worker's compensation insurance, and such other insurance as the Board of Directors shall from time to time deem necessary, advisable or appropriate. Such insurance coverage shall also provide for and cover cross liability claims of one insured party against another insured party. Such insurance shall inure to the benefit of each Owner, the Association, its Board of Directors and any managing agent acting on behalf to the Association. Each Owner shall be deemed to have delegated to the Board of Directors the Owner's right to adjust with the insurance companies all losses under policies purchased by the Association. The Board of Directors, in its sole discretion, shall determine the duties and compensation of such persons so employed.

Section 6. Access. The Association and its agents, employees or contractors shall have the right of reasonable access for ingress and egress over, across or through the Property and Outlots for the purpose of performing its inspection, maintenance, repair, replacement, restoration, removal, demolition, grading and dredging obligations as set forth herein.

ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Declarant for the entire Property, hereby covenants, and each Owner of any portion of the Property by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association (1) an annual assessment and (2) special assessments to be established and collected as hereinafter provided. The annual and special assessments, together with late fees, interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the joint and several personal obligation of each person who was the Owner of such Lot at the time when the assessment

became due.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of carrying out the general duties and powers of the Association, including, but not limited to, maintenance obligations of the Association as provided in Article III; payment of insurance premiums, real estate taxes and special assessments associated with the Outlots, fees and costs payable to a professional management firm, an accounting firm and an attorney in connection with the operation of the Association as well as the defense or prosecution of any legal action, and for other purposes specifically provided herein.

Section 3. Maximum Annual Assessment. The Board of Directors shall establish the maximum annual assessment to be assessed against each Lot, which assessment shall include a pro rata portion of the amount of real estate taxes, special assessments and insurance premiums payable by the Association. Rates for both annual and special assessments shall be determined by Lot type. The rate of assessment levied for residential Lots must be fixed at a uniform rate among all residential Lots. Until January 1 of the year immediately following the conveyance of the first Lot by Declarant to an Owner, the maximum annual assessment shall be \$100.00 per single-family residential Lot and \$200.00 per multi-family residential Lot. The Board of Directors shall fix any increase in the amount of the annual assessment at least thirty (30) days in advance of the effective date of such increase. Written notice of the increase in the annual assessment, special assessments and such other assessment notices as the Board of Directors shall deem appropriate shall be sent to every Owner subject thereto.

Section 4. Reserve Fund. A portion of such annual assessment shall be set aside or otherwise allocated in a reserve fund for the purpose of providing repair, replacement, removal and demolition of the maintenance obligations required of the Association as provided in Article III. Notwithstanding the foregoing, Declarant may use any reserve funds, if established, to defray operating costs as it deems appropriate.

Section 5. Special Assessments for Capital Improvements and Operating Deficits. In addition to the annual assessments authorized above, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, replacement, removal or demolition of maintenance obligations required of the Association as provided in Article III or for operating deficits that the Association may from time to time incur, provided that any such assessment shall have the assent of a majority of the Members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 6. Date of Commencement of Annual Assessments: Due Dates. The annual assessment provided for herein shall commence as to each respective Lot on the first day of the first month following the date of conveyance of a Lot by Declarant. Upon such conveyance, the annual assessment and special assessments prorated to December 31 must be paid to the Association prior to or at the closing of sale or transfer of any Lot. The Board of Directors shall establish the due dates for all assessments. All payments shall be made on or before the due date. Both annual assessments and special assessments shall be collected by the Association, in advance, in annual installments due on January 1.

Section 7. Declarant Exempt from Assessments. Declarant shall not be liable for annual or special assessments upon Lots owned by it. Declarant is not responsible for the establishment of a budget as long as Declarant is the sole voting member of the Association. The Association and Declarant are not required to submit statements for assessments to any Owner.

Section 9. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of 15% per annum or at the highest rate allowed by Iowa law, whichever is lower. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property in the manner provided for foreclosure of a mortgage, or both, and there shall be added to the amount of said assessment all cost and expenses incurred by the Association in collecting said assessments, including reasonable attorney's fees, whether or not legal action is required in connection therewith. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Outlots or Storm Water Detention Facility or by abandonment of the Owner's Lot.

Section 10. Subordination of Assessments Liens. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Provided, however, the sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer. The failure of an Owner to pay assessments as provided in this Article III shall not constitute a default under a mortgage insured by the Federal Mortgage Agencies.

Section 11. Assessment Certificate. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in a recordable form signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments on a Lot shall be binding upon the Association as of the date of its issuance.

ARTICLE V **GENERAL PROVISIONS**

Section 1. Rules and Regulations. The Association shall have the authority to amend and adopt rules and regulations governing the Outlots and such rules shall be observed and obeyed by the Owners, their guests, lessees, assigns, and licensees. Such rules after being properly adopted at a meeting duly called for such purpose shall have the same force and effect as if contained in this Declaration.

Section 2. No Waiver. Failure of the Association or any Owner to enforce any covenant, condition or restriction of this Declaration, the Articles of Incorporation or Bylaws of the Association, or the rules and regulations adopted pursuant thereto shall not constitute a waiver of the right to enforce the same thereafter.

Section 3. Right of Enforcement. In the event of a violation, or threatened violation, of any of the covenants, conditions, and restrictions herein enumerated, Declarant, the Owners and all parties claiming under them, and the City (if it so elects by approval of its City Council) shall have the right to enforce the covenants, conditions, and restrictions contained herein, and shall be entitled to recover reasonable attorneys' fees and the costs and expenses incurred as a result thereof.

Section 4. Assignment of Declarant's Rights. Declarant shall have the right to assign all of its rights and obligations as Declarant under this Declaration to any person, corporation or other entity. The assignee of any such assignment shall be responsible for Declarant's duties and obligations under this Declaration. Declarant shall make such assignment by written instrument recorded in the Office of the Recorder of Dallas County, Iowa.

Section 5. Amendment. This Declaration may be amended or changed by an instrument recorded in the Office of the Recorder of Dallas County, Iowa, signed or approved by at least two-thirds of the then Owners; provided, however, none of the rights or duties of Declarant reserved or set out hereunder may be amended or changed without Declarant's prior written approval. Notwithstanding the foregoing, this Declaration may be amended by Declarant without approval by the other Owners so long as Declarant has any ownership interest in any Lot.

Section 6. Duration. The easements granted herein shall be perpetual in nature. All covenants, conditions, restrictions and reservations created by this Declaration shall run with the land and shall be binding upon all parties claiming under them for the maximum period allowed by law, subject to the right of Owners under Section 614.24 of the Iowa Code to file a verified claim in the office of the County Recorder to extend the effectiveness of these covenants for successive periods of twenty-one (21) years each on or before the twenty-first anniversary of the filing of this Declaration and prior to the twenty-first anniversary of the filing of the last verified claim. Invalidation of any of the covenants, conditions, and restrictions of this Declaration by judgment or decree shall in no way effect any of the provisions hereof, but the same shall remain in full force and effect.

ARTICLE VI

ANNEXATION AND REMOVAL OF LAND

Section 1. Conveyance of Additional land and Additional Responsibility Elements. Declarant shall have the right at any time to convey additional land to the Association. Nothing in this Section, however, shall be deemed to be an obligation on the part of Declarant to convey additional land to the Association in the future. The Association shall be obligated to accept any additional land so conveyed by Declarant and to hold and maintain the additional land pursuant to the terms of this Declaration.

Section 2. Subjecting Additional Land to Declaration. Declarant shall have the irrevocable right to subject additional land to the terms of this Declaration at any time in the future without the consent of the Association. The additional land shall be automatically subject to the applicable terms and conditions of this Declaration and owners of lots within the additional land shall automatically become Members of the Association in the same manner as described in this Declaration and shall be subject to the same applicable terms, conditions, duties and assessments as described in this Declaration. Declarant shall signify the addition of land by filing an amendment to this Declaration with the Recorder of Dallas County, Iowa. No approval of the Association or any other person shall be necessary.

Section 3. Removing Land from Operation of Declaration. Declarant shall have the right now and in the future to remove any portion of the Property from the operation of this Declaration. Declarant shall signify this removal by filing an amendment to this Declaration with the Recorder of Dallas County, Iowa. No approval of the Association or any other person shall be necessary.

IN WITNESS WHEREOF, the undersigned have caused this Declaration to be executed as of the date first hereinabove written.
